Course Policies

Course Format: Online

This course is designed to be completed entirely online. All course activities and assignments will be managed through Canvas – you will use your unique username and password to log into the course, interact with your instructor and fellow students, and submit any required assignments.

Since attendance is asynchronous (not in real time), you may login at any time of the day. However, you are expected to participate in the virtual classroom on a weekly basis and complete all readings, discussion requirements and assignments/exams as required (see Course Policies below for more information).

Please keep a copy of all assignments and work submitted. Print the syllabus for your reference. It is your responsibility to be aware of all assignments, due dates and guidelines.

Note the following points about online courses at UCLA Extension:

- Students must have basic computer skills, including the use of word processing software, email, and the ability to use internet browsers such as Firefox, Safari, or Chrome.

- Students should familiarize themselves with Canvas and are responsible for meeting the minimum technical requirements for using Canvas.
  - More information about the Canvas learning management system (http://student.uclaextension.edu/our-platform/overview/)
  - Information about the technical requirements for web-enhanced courses (http://student.uclaextension.edu/support/technical-requirements/)
- Course materials will become available two days before the beginning date of the course.
- Students must follow all posted deadlines and must complete all work in Canvas by the end of the course. Students receiving an “Incomplete” may not complete work within Canvas and must work individually with their instructor to satisfy completion requirements.

Planning Your Study Time

To plan your study time, it is estimated that you will spend 3 hours per week "in class" with the instructor and approximately 7 additional hours per week outside of class studying for exams, reading, and completing assignments. Depending on the extent of your academic preparation and recent college-level coursework in this topic area, the amount of study time needed may vary considerably.

Policies About Deadlines and Late Work

Life happens and I understand that work and family emergencies occur. If your initial response to a Discussion Question is posted late but during the module week that it is due, you’ll receive a 10% penalty. No Discussion Postings are accepted after the module week is over.

If your Assignment is submitted late, I will apply a 20% deduction penalty. I generally do not accept work that is more than a week late. If you contact me before the assignment is late, we can try to work out something for your schedule. However, there are no extensions for the class. All work must be turned in by the last day of class.

Institutional Policies

All Grades are Final

No change of grade may be made by anyone other than the instructor, and then, only to correct clerical errors. No term grade except Incomplete may be revised by re-examination. The correction of a clerical error may be authorized only by the instructor of record communicating directly with personnel of Student and Alumni Services.

Incompletes

The interim grade Incomplete (I) may be approved for a student who has completed the majority of the course requirements, with passing quality (grade C or higher), but is unable to complete a small portion of the coursework by the course end date for good cause. For courses in which an Incomplete may be allowed, approval by the instructor of record and the academic program director is required. The Incomplete grade is not an option for courses that do not bear credit, such as 700, 800, or 900-level courses.

- It is the student's responsibility to petition for an Incomplete by emailing the appropriate academic program department (https://www.uclaextension.edu/contact-ucla-extension) at least one week before the end of the course. The Program Department will initiate the petition process once the email is received.
- The student, the instructor, the CE/Program Director, and the program staff must complete the petition prior to the final course meeting or before the quarter end date (https://www.uclaextension.edu/calendar). This process can take up to one week to complete.
- The instructor will approve or deny the request. The instructor will provide details on what the student needs to accomplish in order to complete the course, as well as a due date for submitting completed work. The due date cannot exceed the end of the ensuing quarter (https://www.uclaextension.edu/calendar) when a final grade must be reported or the Incomplete lapses to the grade "F," "NP," or "U." Visit UCLA Extension Grading Scale (https://www.uclaextension.edu/transcripts-credits-grades/grading-scale) for more information.

An Incomplete allows the student to complete only work that is outstanding and does not allow prior completed work to be retaken or resubmitted.

Sexual Harassment

The University of California is committed to creating and maintaining a community where all individuals who participate in University programs and activities can work and learn together in an atmosphere free of harassment, exploitation, or intimidation. The University will respond promptly and effectively to reports of sexual harassment and sexual violence, and will take appropriate action to prevent, to correct, and when necessary, to discipline behavior that violates our policy.

All Extension students and instructors who believe they have been sexually harassed are encouraged to contact the Department of Student and Alumni Services for complaint resolution: UCLA Extension, 1145 Gayley Ave., Los Angeles, CA 90024; Voice/TTY: (310) 825-7031. Additional Items

Protecting Privacy and Data During Live Instruction

Only the host has the ability to record meetings, no recording by other means is permitted. Recorded sessions will be posted in the Videos area of this class unless otherwise notified. Due to privacy, recordings are not available for download and are only accessible via Canvas for the duration of the class. If you have privacy concerns and do not wish to appear in the recording, do not turn on your video and/or audio. To rename yourself during a Zoom meeting, click on Participants, click on your name, click on More, click on Rename. If you would like to ask a question, you may do so privately through the Zoom chat by addressing your chat question to the instructor only (and not to ""everyone""). Additionally, chat may be used and moderated for live questions, and saving of chats is enabled. If you have questions or concerns about this, please contact the instructor via Canvas Inbox.

Pursuant to the terms of the agreement between Zoom and UCLA Extension, the data is used solely for this purpose and Zoom is prohibited from re-disclosing this information. UCLA Extension also does not use the data for any other purpose. Recordings will be deleted when no longer necessary. However, recordings may become part of an administrative disciplinary record if misconduct occurs during a video conference.

Course and Instructor Evaluation

UCLA Extension values your feedback on course and instructor evaluations. We ask all students to take a few minutes to complete an end-of-course evaluation survey. Updates to the course and instruction are influenced by your feedback. Understanding your student experience is essential to ensure continuing excellence in the online classroom and is appreciated by your instructor and the UCLA Extension academic leadership.

Your participation in a survey is voluntary, and your responses are confidential. After instructors submit grades, they will be given an evaluation report, but this report will not contain your name.
